Project Title: Agatha Christie Website

This site will be built across multiple pages, rather than a single one. The navigation bar will be at the top. I think between her biography and writings, there is a lot of content with photography to support it. This website serves as a small biography to her as a writer, as well as her contributions to literature and the mystery genre.

- **Home**
An introduction to Agatha Christie at a glance: an English writer famous for her work in the mystery genre, as well as some of her lifetime achievements
- **Childhood and Adolescence**
- **Disappearance in 1926**
- **Mystery and Crime Tropes**
Tropes commonly used by Christie and now famously recognized as a result of her writing
- **Most Famous Works**
Includes works of fiction and plays
- **Hercule Poirot and Miss Marple**
Agatha Christie's most famous recurring characters
- **Critical Reception and Legacy**
- **Sources**
